

## TRANSPORTATION & ARRIVAL GUIDELINES

### School Trips

Schools are responsible for arranging transportation to and from City Challenge. While our team is happy to support with planning and logistical guidance if required, the overall responsibility for transport coordination, timings, and supervision remains with the school.

To ensure a smooth and safe arrival, we kindly ask that all buses follow the designated drop-off and parking procedure.

Upon arrival at Yas Island, buses should drop students and accompanying staff at the Ferrari World Valet Parking and Welcome Pavilion:

<https://share.google/dH8xbJA5i4ILX01i8>

This location has been selected to provide a safe and convenient entry point for school groups. Our team will be present at the drop-off area to welcome you, assist with group coordination, and guide students and teachers to City Challenge.

After drop-off, buses are required to proceed to the designated bus parking area:

We recommend that drivers remain reachable throughout the visit to ensure timely pick-up at the end of the session.

To help us deliver the best possible experience, please ensure your group arrives at the scheduled time. If there are any delays on the day, kindly inform our team in advance so we can make the necessary arrangements.

If you require any assistance with directions, timing, or coordination prior to your visit, please feel free to reach out, we are always happy to help.
